

# GREENPEACE PROJECT

## DESIGN FOR THE WEB

Create a mini site as promotion for the 'Forests' campaign by Greenpeace using text and images provided.

### PROJECT DETAILS

Have a look at this page of the Greenpeace site:

**[www.greenpeace.org.uk/forests](http://www.greenpeace.org.uk/forests)**

Using only the text provided - put together a 5 page mini site to display the given content. Give some thought to a suitable colour scheme to enhance your pages' visual impact and plan your design by creating a mockup in Photoshop. You are required to use a minimum of 5 images in total, 3 of which need to be taken from the source files. You can choose to include your own images and visuals.

### TECHNICAL REQUIREMENTS

- content text article (+ linked articles, optional)  
**[www.greenpeace.org.uk/forests](http://www.greenpeace.org.uk/forests)**
- image use source images available for download from [webeyedea.info](http://webeyedea.info)  
minimum of 5 images used  
(3 of the 5 need to be from the images provided)
- number of pages minimum of 5  
(all pages interlinked)
- external links minimum of 1 link back to Greenpeace home page, optional link to article

### SCHEDULE

to be submitted:

- 1 design mockup as layered document (layers to be named, file saved in project's prep folder)
- 2 complete project folder with prep and site folder)

- start date 22/10/08
- deadline 5/11/08
